Mr. K. Michael Thompson
State of Utah
Division of Oil, Gas and Mining
1588 West North Temple
Salt Lake City, Utah 84116

Dear Mike,

Enclosed is an updated map with contour lines, as per your letter dated 9-1-78. Also, the access road to the vent hole site will be approximately 4000' long and 10' wide. The vent hole site will be of standard size, 100' X 150'. I cannot give you an exact location for the vent hole, at this time.

I'm sorry for all the confusion on this application but our planning engineer left for greener pastures in the middle of planning and the project landed in the hands of someone unfamiliar with the situation.

Thanks for your help. I'm looking forward to your call and letter.

Yours truly,

John Hunerjager
